Courses

Directions: Find the classes required specifically for your certificate or degree in your major. If undecided, choose a major from the BC website, Programs & Degrees, that is of interest to you for completing this assignment. Fill in the classes below on the left. In the "Course" column, fill in the abbreviated course name and course number. For example, "ENGL 1A". Indicate the unit value for each course in the "Units" column.

Transfer students: also find the articulation agreements (classes agreed upon by the transfer school and BC that can be taken at BC and will fulfill major requirement classes at the transfer school) for your major at www.assist.org. Fill in your classes that are required at BC on the left and the equivalent according to assist.org on the right.
