CSEP 2 Option 3 – IGETC (UC, CSU & Private General Education) Requirements for Transfer

Student Name: _____ ID#:_____ Major:_____

Directions: On CSEP 1, you recorded your assessment scores and what you need for your major. In this exercise, you will indicate what classes you have completed that meet competency requirements in Section I. In Section II, you will outline the classes needed to transfer to a UC, CSU or private school with IGETC requirements.

Section I Competency Requirements

Check the last course you have completed with a grade of "C" or higher and/or are currently taking that meet the competency requirements listed below. Note: ENGL B60, B50, B60, B70, ACDV/LRNC courses cannot be counted toward the 60 units required to transfer. Units have been included for convenience in calculating total units.

Accelerated Courses, compressed, and/or stacked courses: These are rigorous, fast-paced courses that require a greater time commitment and may not be appropriate for all students. If a student fails to pass an accelerated course, it is recommended that they repeat by completing the non-accelerated pathway. **Due to the unit load, there may be financial aid implications if a student does not pass an accelerated section. Transferable**

Section II – General Education IGETC (UC, CSU & Private General Education) Required Classes

Use the **Intersegmental General Education Transfer Curriculum (IGETC) Pattern** under *Transfer Guide* in the Bakersfield College Catalog to fill out this section. Where you can, choose classes that satisfy the requirement for the pattern and for your major. Use your CSEP 1 Major form to see if there are classes that satisfy two requirements. A minimum requirement of 60 degree-applicable semester units must be completed with a 2.4 GPA or higher. However, do not count the units twice when a major course also meets a general education requirement. If you have added it to your major requirement on CSEP 1, enter a 0 for the units on this form. For some majors, a 2.4 GPA does not make the student competitive. Student must receive a "C" or higher in all courses listed below. Refer to University of California policies at www.universityofcalifornia.edu.
